VISION

We envision the whole community working hand in hand to meet human needs, protect human dignity and restore hope.
September 25, 2019

Dear Home Delivered Meals Customer:

We would like to announce that there has been a change to our Home Delivered Meals Program. Effective early October 1st, 2019 your meal will be sent to you in bulk, bi-weekly from our new vendor, Mom's Meals. The reason for the change in service is that we would like to serve more homebound seniors. Currently we have many seniors on a waiting list.

We selected Mom's Meals in part because of their extensive menu options and in the future you will be able to make your own meal selection. There are also options for special diets and soft diets. Each meal box that you receive will contain 10 lunches to be eaten Monday through Friday for two weeks. You will receive a new box of meals bi-weekly. These meals are to remain refrigerated but not frozen and you are to follow the heating instruction on each meal.

We are in the process of telephoning each of you to answer questions you may have. If you need assistance in handling the 15-20lb meal box or do not have a microwave, please tell us. If you have any other concerns or questions, please call us at:

- Rock Island County Senior Center (309) 788-6335

Our goal is to provide you with nutritious, tasty meals. Thank you for your continued support through this transition period. We are here to serve you!

Mariela Treviño

Senior Services Director
