

FY2025 Northwestern Illinois CoC Application Schedule

On Thursday, November 13, 2025, HUD released the Notice of Funding Opportunity (NOFO) for the FY25 funding cycle. The NOFO can be found at <https://www.grants.gov/search-results-detail/360861>. This is the first year of HUD being authorized for a multiple year NOFO.

The Continuum of Care's (CoC) application is due to HUD on January 14, 2026 by 8:00 pm EST. As part of the CoC's application, we must develop an application schedule which is described in this document. HUD will again use a tiered funding process with tier one being 30% of the CoC's Annual Renewal Demand (ARD). The CoC's ARD for FY2025 is \$756,796 which puts tier one funding at \$227,038. The remaining funds, \$529,326, are considered tier two. HUD will fund tier one projects first before allocating funds to tier two projects based off the CoC's score. The CoC will continue to use HUD's evaluation tool with modifications to ensure compliance with the 2025 CoC Notice of Funding Opportunity.

The preliminary pro rata need (PPRN) numbers have not been released for FY25 as of 11/14/25, but the FY24-FY25 CoC PPRN numbers are below.

PPRN	ARD	Tier One	CoC Bonus	DV Bonus	Planning
\$3,691,748	\$756,796	\$681,116	\$443,010	\$553,762	\$184,587

The CoC will continue to apply for CoC Planning funds to cover CoC staffing and training needs.
